## CUNLIFFE HAS GONE.

Confidential Clerk at Pittsburg of the Adams Express Company Has Taken His Departure For Unknown Point.

Pittsburg, Oct. 11 .- The startling discovery was made Tuesday that the Adams Express company has been victimized to the extent of \$100,000, supposedly through the peculations of an employe.

The following official statement of the affair is given to the Associated Press for publication:

"At 4:15 p. m. Monday, Oct. 9, a bank of Pittsburg, Pa., delivered to the Adams Express company, at their office, 610 Wood street, Pittsburg, a package of currency containing \$100,000. Of this amount \$80,000 was in \$100 bills, \$10,000 in \$50 bills, and the remainder, \$10,000 in \$5, \$10 and \$20 bills. The \$100 and the \$50 bills issue of the Farmers' Deposit National bank of Pittsburg and the Bank of Pittsburg were in the main entirely new; some had been slightly used. The \$5, \$10 and \$20 bills were old currency. The package containing this large sum of money was consigned to a bank in Canton, O.

"This package was received and recepted for by Edward George Cunliffe, who was then acting in the place of the regular money clerk, who was ill. "Cunliffe left the office at the usual

time Monday evening, and Tuesday morning when he failed to report for duty a hurried examination was made of his department and it was learned that about \$10,000 funds entrusted to his care were missing. General Agent Hiner of the Adams Express company immediately called in detectives and placed the matter in their hands. Later developments brought to light the fact that in addition to the \$10,000 missing, the bank package containing the \$100,000 had not been received at the money forwarding office at Union Station, this city.

"Inquiries made at his residence, 314 Lucerne street, West End, Pittsburg, showed that Cunliffe arrived home at the customary time Monday evening, and after changing his clothes, bade his family good-bye, saying to his wife that he was going out for the evening. and nothing further has been heard of A warrant was issued charging him with larceny.

## GIBSON'S GUILT.

## Nothing Yet Adduced Showing He Took Lives of Conditts.

Edna, Tex., Oct. 11.—Beyond the fact that Monk Gibson was in the employ of Conditt and was plowing in the field near the house when the murders were committed, there is no evidence implicating or connecting him in these murders except his own statements, which were made while under arrest. Nobody doubts Gibson's guilt, but the facts stated relative to legal evidence may delay the finding of bills by the

grand jury.

The officers and rangers are at work tracing up clews and threads that may lead to the evidence desired, as well as to the arrest and conviction of all guilty parties, including Gibson.

A delegation of citizens called upon Judge Wilson and requested that Gibson be held in jail here. The judge said he could make no promises.

All the members of the Gibson family, except Monk Gibson, were released from jail Tuesday afternoon, Two other parties, Smith and Anderson, both negroes, were also released.

Some versed in criminal law say there is no legal evidence adduced that would justify a grand jury in finding a true bill against Gibson unless that body had testimony other than that in possession of the public. The grand jury Tuesday endeavored to secure a statement from Gibson, but he was too frightened to talk.
